**Alcohol and Drug Programs is hiring for an exempt position**

The California Department of Alcohol and Drug Programs (ADP) is accepting applications for the position of Deputy Director of the Licensing and Certification Division. The position is an exempt position open to all qualified individuals.

“Given the trust clients, their families, and communities place in our publicly funded prevention and treatment programs, ADP must continue to strive for the best quality of care,” said Renée Zito Director of Alcohol and Drug Programs. “The department is seeking to fill this position with an individual who understands addiction and knows the field.”

Under the direction of the Chief Deputy Director, the Deputy Director of Licensing and Certification plans, organizes, monitors, and establishes Division priorities for the Department's statewide licensing and certification activities in alcohol and drug related fields.

The Deputy Director has major program responsibilities for the licensing and certification of residential facilities, certification of non-residential facilities, licensing of Narcotic Treatment Programs, and investigating all program counselor and Drug Medi-Cal complaints.

Desired qualifications include: Broad management and administrative experience in alcohol and drug related fields, knowledge and understanding of addiction and the Medi-Cal program; knowledge of State licensing requirements; and the ability to represent the Department before legislative and administrative bodies. Annual salary is \$93,780-\$103,392.

Applications will be accepted from individuals in the public and private sector who meet the qualifications to perform the Deputy Director duties. If interested please send a resume and one page supplementary statement of qualifications and accomplishments to Ms. Denise Kincaid Department of Alcohol and Drug Programs 1700 K Street Sacramento, CA 95811.

ADP leads the state's efforts to reduce alcoholism, drug addiction, and problem gambling in California by developing, administering and supporting prevention, treatment and recovery programs. ADP's vision is that Californians understand that alcoholism, drug addiction and problem gambling are chronic conditions that can be successfully prevented and treated.

“This is an exciting opportunity for an individual who wants to make a difference in the lives of clients, their families, and communities,” said Zito.
